CIRCULAR TO PARENTS OF STD. IX TO XII (Gift a Book Campaign).

Dear Parent,

The Board of Directors, Indian Schools in the Sultanate of Oman in its "Vision 2020" gives emphasis on holistic education which is based on the principle that each child be nurtured and educated through academic and non-academic means.

Keeping the above objective in mind, the **YCIS** (Young Communitarians of Indian Schools) helps students to contribute selflessly for the cause of the community. It empowers students to feel, experience and develop passion for selfless service. This will help them to become responsible citizens of the society and enhance learning through practical experiences.

The **YCIS** encourages ISM students to participate in the - "**Gift A Book Campaign**". The students of Classes IX to XII can contribute their used textbooks for the campaign. The text books need to be in good condition to ensure usage for the next reader. Students who wish to donate their clean and neat text books that are in good condition may hand over the same to their respective class teachers on or before **19th March 2019**.

We work together to empower our students and exhibit responsibility as one of their major goals in life.

With warm regards

Dr Rajeev Kumar Chauhan
Principal
