<b>II</b>	<b>Answer the following questions in 30-40 words</b>	<b>3 x 2 = 6</b>
a	Though not educated himself, Kalam's father understood the significance of education. He did not want to hinder the growth of his children in any way. Since Rameshwaram had nothing more than an elementary school, his father willingly allowed Kalam to go to Ramanathapuram to pursue higher studies.	<b>2</b>
b	The swallow wanted to go to Egypt. All his friends had gone there. But after giving sapphires from the eyes, the Prince had gone blind. The swallow felt the misery of the Prince. He decided to remain there to be the Prince's eyes.	<b>2</b>
c	It is a common tendency of people that they hate their brothers but whenever we do any wrong to our brothers, we begin to defile our spirit and soul. By doing so, we also harm ourselves. We betray and criticise ourselves. The major harm that we do to ourselves is that our character is lost.	<b>2</b>
