- 19 After doing her M.Com from 'Himachal Pradesh University of Shimla', Komal went back to her village in Kinnaur district of Himachal Pradesh. She wanted to contribute for the development of women of her village, so she formed an organization, the membership of which was open for all the women villagers on voluntary basis by paying ₹ 500 only which will be treated as their capital. Komal knew that the land of her village was suitable for the farming of medicinal plants. So she motivated the members of her organizations for growing medicinal plants in their fields under the guidance and help of the local agricultural department. It was also decided that the organization will purchase the produce of each member and sell the same to drug manufacturing companies, at a very good price which was not possible for the members individually. The main objective of the organisation is to render services to its members rather than to earn profit. A computer training centre for young boys and girls of the village was started under the guidance of Komal from the surplus of the profits. 4
- (a) Name the process that helped Komal in developing an idea into an opportunity.
(b) Identify the kind of organization that was formed by Komal.
