My family lives in the city. Each summer, I go to my uncle's farm with my family. We spend three weeks there with Uncle Joe. When we are there, Uncle Joe takes me for a ride on his enormous tractor. He lets me feed his chickens. It is fun to watch him milk his cows. My sister, Molly, like to go out by the lake to feed the ducks and watch them swim. He also likes to help gather eggs in the morning and bring them inside. Aunt Betty cooks the eggs.

My favourite thing when visiting Uncle Joe happens at night. All of the family gathers together on Uncle Joe's porch after dinner. Uncle Joe tells us all about the life on his farm. Sometimes he tells us about how things have changed since he was a little boy. We tell Uncle Joe about our life in the city and what we have been doing all year.
